REOPENING LEDGER · REVIEWED 2026-08-20

Reassessment requires evidence that changes a controlling constraint.

Verdicts are extracted from the six long-form vault entries and the current README review.

PII-8 LIVE QUESTION

qualification ceiling + gas velocity ceiling

PII-19 IDEA ONLY

passive trim interface; original entry stays shut

PII-21 CATALOGUE GATE

reopens only if a light high-temperature alloy exists

PII-11 CLOSED

LegacyStudy reverses the straightness argument

PII-14 CLOSED

inertia and pulse-store comparison settled

PII-9 DIFFERENT PROGRAMME

no host; lunar mass driver is not VOLLEY

Reopening permits further assessment; it does not establish a successful test.
